25X1

[redacted] of Commo called stating that due to the transfer of an office overseas, cables from Europe, primarily those from [redacted] area, were being delayed. Commo was doing everything that it could and was handling all matters on a priority basis but this might cause some delay on cables intended for the Director and I undertook to advise him on this.

25X1

Attended briefing for Mr. Dulles on NSC Senior Staff meeting.

A handwritten signature consisting of a stylized circle and the letters "LEB" written vertically inside it.
